  	<p>Notes: Haven Hill is Edsel & Eleanor Ford's family estate, located within the Highland State Recreation area. Edsel Ford broke ground on the estate in 1923 and lived and visited there until his death in 1943. The property was sold to the state in 1946. Our tour is part of a grand celebration and ribbon cutting at Haven Hill as they open a new section of its facility. Please bring your own lunch as they will have tables and chairs set up for us. This would be a great time to bring along your Model T cooker if you have one. Our plans include driving to Haven Hill together. We will leave Musson Elementary School in Rochester Hills at 10:00 am (meeting at 9:30 am). It is a 25-mile trip to Haven Hill – an easy one-hour drive. You may also, if you prefer, meet us directly at Haven Hill at 11:00 am. 5200 E. Highland Road, White Lake, MI 48383. Let Steve know if you will be meeting us there.</p> <p>Admission to Haven Hill will be free for us.</p>
