

CAUSAL T'S MANIFOLD COOKER TOUR

The manifold cooker tour is going to be here before you know it. This year we will be providing the main course for the fee of **\$5.00** [to be paid when you arrive for the tour] for each car participating, if you have a cooker or not. The main course will consist of marinated turkey breast, hash brown potatoes and shredded carrots. This will be partially precooked by Lucille and ready to go into your cooker when you arrive for the tour. I suggest that you line your cooker with aluminum foil. The meal will be in an ovenproof bag. Also, everyone is asked to bring a dish to pass that will feed 8-10 people. Don't worry if you don't have a cooker, there should be enough meat to go around for everyone. Dish to pass ideas: salads, vegetables and of course desserts. Also, bring your own drinks for the lunch.

The tour will take place on Sept. 27. Everyone to meet at Ed & Lucille Walla's house at 9:30am. We would like to leave for the tour at 10:00am. Want to trailer your car? There is plenty of room to park at our place. There will be coffee and some goodies to snack on if you come early, as we wait for everyone to get here.

Please let Lucille know if you are coming and if you will be bringing a cooker, very important, as I need to know how many meals to prepare. Email to lvrmodelts@sbcglobal.net or call at 586-752-4617.

Our address is 6600 31 Mile Rd. Washington, Mi. 48095
