

2023 CanAm Update #2

Co-Chairmen: **Tim Juhl** [810-357-7575 or 1917tinlizzie@gmail.com] & **Gene Butler** [810-300-3479]

CAMPERS! Remember that Lexington County Park is holding 15 spaces for us but only until February 28th....after that it's first come, first served. Email me at <1917tinlizzie@gmail.com> if you didn't receive the camping info and I'll email it to you. {Three reservations as of 1/13}

I've recently been contacted by a few people asking about hotel accommodations for the CanAm. Gene and I decided to send out some preliminary information for those wishing to get a head start and follow it up later as we nail more things down.

Lexington does not have a single large hotel so we're listing what is available with a few comments about each. There are a few facilities not listed because we cannot vouch for them.

**WHEN MAKING RESERVATIONS BE SURE TO MENTION YOU'RE WITH THE MODEL T GROUP!
ACCOMODATIONS WILL BE NEEDED MAY 19 THRU 21 UNLESS
YOU HAVE TO LEAVE AT THE END OF SUNDAY'S ACTIVITIES**

You're welcome to come early and stay later. Michigan's Thumb has much to offer!

Secure off-site trailer storage will be available for those who need it

***There will be secure parking where you can leave your Model T and drive in each day
in your modern car if you live close to the area and prefer to sleep at home,***

Registration will open approximately March 1st but you are urged to arrange accommodations ASAP. Tour fees have not been determined as we are still making arrangements. Our goal is to make as many items as possible "pay as you go" so that you only pay for what you want. We're working to keep costs to a minimum and fun to a maximum. As a courtesy, our Canadian participants can pay upon arrival.

Tentative schedule:

Friday May 19 - Arrive, sign in, check into your accommodations. Explore Lexington (great shopping!) and then gather for a social event sponsored by the Lexington A&W Drive-in

Saturday and Sunday May 20-21 - Full days of touring and activities TBA

Monday May 22 - Short morning activity then back to the real world.

Motels

- Lake Huron Lodge** - a boutique motel in a renovated Victorian home originally built in 1874. They have 7 different suites that house multiple people. This might be good for those that want to share expenses. I was told that one suite was already reserved and the rest would be blocked until 3-25 Rates vary per suite. Some trailer parking available. 810-359-7802. <www.lakehuronlodge.com>
- Lakeview Hills Country Club** - 1.5 miles west of the stoplight in Lexington. 29 rooms open to the public, they will be remodeling the rooms before our event. Last years rate was \$120,00 + tax. The rate will probably be higher but they are not sure what it will be yet. They will not hold any rooms, so first come first served. Trailer parking will be on the gravel lot west of the black top lot by the hotel. 810-359-7333 <<https://www.lakeviewhills.com>>
- Lakewinds Motel** - 3 miles south of the stoplight in Lexington. A modest motel but clean rooms and some trailer parking available. Seven rooms on hold until 3-25. 810-359-5196 <lakewinds-motel.business.site>
- Cadillac House** - Downtown Lexington - trailers will have to be parked off-site. An upscale, recently renovated hotel that first opened in 1860. Restaurant on site. So far we have been unable to make any special arrangements but talks are continuing. 810-359-7201 <<https://thecadillahouse.com/>>
- Lexington's Lilly Pad** - a modest, 4 room motel directly across from the campground. Currently under renovation by the new owners, it should be available for the CanAm. Reservation info will be provided when known, Trailer parking on site.
