

The Casual T's Annual Awards

The Casual T's chapter of the MTFCI has three awards that are presented to its members at the Annual Meeting. It is important to note that Casual T's members are eligible to receive only one of the three awards in a year. The purpose of the awards is to recognize Casual T's members who have high levels of participation and contribution in our chapter activities. The awards will be determined in the order listed below.

Steve Pettypiece Memorial Award

- This award is given to the Casual T's member who is the most active member in our chapter.
- "Most active" is determined by identifying the member who participated in the most **Casual T's** chapter tours and events.
- National tours/events, regional tours/events or other non-Casual T's tours/events are not considered for this award.
- It is **not** required that the chapter member drive a Model T to the tour or event.
- If a tie exists for this award, the Michigan Jamboree will be counted as a tie-breaker. If a tie still exists, both members will have their names on the plaque.
- If the same member is eligible to win the "Steve Pettypiece" award and the "Dick Fuller" award, he/she will be presented with the "Steve Pettypiece" award only.

Dick Fuller "Model T Driver of the Year"

- This award is given to the Casual T's member who drove his/her Model T to the most **Casual T's** chapter tours and events.
- National tours/events, regional tours/events or other non-Casual T's tours/events are not considered for this award.
- If a tie exists for this award, the Michigan Jamboree will be counted as a tie-breaker. If a tie still exists, both members will have their names on the plaque.

Richard Glasson "Spirit of Friendship Award"

- This award is given to the Casual T's member who demonstrated outstanding personal efforts to share friendship and camaraderie with fellow Casual T's members.
- All Casual T's members present at the Annual Meeting will cast a ballot for the member who best represents the Casual T's "Spirit of Friendship."
- Casual T's members will be reminded that the winners of the "Steve Pettypiece" or "Dick Fuller" awards are not eligible to win the "Richard Glasson" award.
- Ballots will be counted by the current Casual T's officers.
- In the event of a tie, both members will have their names on the plaque.
